MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 15 to Contract No. HF-CT-693
with GPL Division of General Precision, Inc., Project
IDEALIST

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. HF-CT-693 is an open call type for replacement of spares, kits, etc., in support of Radar Navigation Systems previously procured for the Project. Amendment No. 15 has been drawn to decrease the amount of FY 63 funds allotted and to close the contract.

3. The obligation of FY 63 IDEALIST Funds should be decreased by the total obligation of \$1,000.00. ✓

4. The services and equipment being procured by this contract are in furtherance of the IDEALIST Program, the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 25 October 1961.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.
